📍 Midrand, Gauteng

PROFESSIONAL PROFILE

I am a motivated 3rd-year Computer Science student with a strong academic record and a passion for technology. Experienced in software development, technical support, and problem-solving across multiple domains. Seeking opportunities to apply programming skills, analytical thinking, and a collaborative mindset in an entry-level IT or software role. Known for diligence, adaptability, and a drive to continuously grow.

Office / OS	Microsoft Office Suite, Windows, Linux (basic)

PROJECTS

CampusXChange

2026

University Coursework

- This project is a website that serves as a marketplace for students. The technologies used were React, Vite, CSS, Supabase, jsPDF, Azure static web apps, PayFast, Brevo and SerpAPI. Its purpose is to help students exchange second-hand items more safely and more conveniently within a university context, while also giving staff and admins tools to manage facilities, bookings, and marketplace operations.
- There were 4 contributors on this project including me. We made use of Git for version control.

EXPERIENCE & VOLUNTEERING

Head of Technical Support

2022 – 2023

Curro Midrand Sagewood Campus

- Managed all lighting and IT equipment for school events, assemblies, and functions.
- Troubleshoot hardware and software issues under time pressure.
- Trained junior students in operating presentation and sound systems.

Volunteer – Food for Life & Sandton SPCA

2021 – 2023

Community Service

- Contributed regular volunteer hours to community food distribution and animal welfare.

ACHIEVEMENTS & ACTIVITIES

- FSKA Karate World Championship participant (2015)
- SAICI JHB Bridge Building Competition participant
- English Public Speaking: 2019 – 2022
- Vega Vibe Design Challenge participant (2022)
